GCD | 2022 in Full Swing

Dear GCD Members,

The year is in full swing, and there are many updates to share with GCD member banks.

We would like to welcome the latest member that joined GCD: Welcome [Morgan Stanley](#) and [SBAB](#) as well as [ODDO BHF](#) that joined the GCD ICC Trade Register.

All the best for 2022

GCD Updates

GCD Website

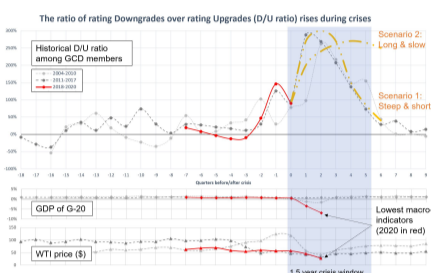

GCD launched a new website at the end of last year!

Click [here](#) to access the new website. The interactive dashboard shows you live LGDs across the globe.

If you experience any challenges, contact the [secretary](#).

PD Submission

The annual PD submission is in full swing.

Ensure that your bank gets the benefit of participating in this platform.

The first deadline to finalize your submission is **March 20th**

For more information, visit the GCD [website](#).

Climate Risk

The GCD Climate risk initiative is in full swing.

Let GCD know what climate risk variables your bank can submit in an anonymized data pool. Complete the [5min survey](#).

To connect with GCD on this topic, please contact us [directly](#).

Chief Data and Analytics Conference - NY

GCD is excited to announce a partnership with Corium Global Intelligence. At the first event, GCD will host a Data Quality talk at the CDAO Financial Services 2022.

In-Person
Event

March 1 -2, 2022 | [New York - etc.](#) Venues 360 Madison Avenue

For Data & Analytics Professionals in the
Financial Services Industry

Claim Free Pass (\$1,895 Value)

GCD will showcase that it serves the industry with highly secured and confidential data pooling.

This in-person conference will be hosted by Corinium Intelligence Group in New York, on 1- 2 March 2022. [#CDAOFS](#)

GCD members get an exclusive offer! For more information contact the [GCD secretary](#). Hope to see you there.

ICC Trade Register

GCD has contributed to a study published by the ICC to estimate empirical CCFs for performance and financial guarantees. This was based on the data submitted by ICC member banks and validated by an independent analysis of performance and financial guarantees data submitted by GCD consortium member banks. The paper will be used by the ICC to engage with regulatory bodies for advocacy. Stay tuned to access the paper after final approval

Visit the Website | Update your Profile Today

Updating your profile will assist connecting with peers in the industry.
